The Nur al-Idah is a classical Hanafi text on sacred law which includes vast areas of jurisprudence, namely, the rulings pertaining to worship and for generations has been one of the most widely taught texts. It leaves the student well prepared to deal with the majority of matters ranging from purification, prayer, funerals, zakah to hajj. Generations of scholars and layman alike have been taught the Nur al-idah, which gives them sufficient grounding in the basic masa'uil they encounter daily.
